

## Mortgages 10bn target

BY **PAUL O'DONOGHUE**

EXPERTS claim Ireland's mortgage market needs to hit €10billion to help banks become profitable again.

The Association of Expert Mortgage Advisors expects the market to potentially grow to €4billion by the end of the year.

Spokesman Ken Murray said: "The market will potentially grow to €4billion if the new products come to fruition.

"People forget banks need new mortgages if they are to return to profit."
